

# Step by Step Guide to Adoption

1.

## Step 1.

### *Chat to Our Staff*

We aim to match you with the **best animal to compliment your lifestyle**. Give us a call on 0161 882 0680 or email [rspcamcr\\_salford@btconnect.com](mailto:rspcamcr_salford@btconnect.com) & tell us what type of animal you are looking for.

2.

## Step 2.

### *Viewing*

After chatting to us and identifying your potential match we will tell you how to go about **meeting your chosen animal**.

3.

## Step 3.

### *Reserve*

If you have met one of our animals and fallen in love you can then **place a reserve and get back in touch with us** to organise a home visit. The process from reservation to home visit should only take a few days.

4.

## Step 4.

### *Home Visit*

Our **bespoke home visits are tailored specially to each animal's needs and personality**. It's not a test, merely an opportunity for you to ask questions and for us to make care recommendations.

5.

## Step 5.

### *Going Home*

After passing your home visit you are now ready to take your new animal home! We ask that you collect within 7 days. You will receive an **adoption pack** including; a health record booklet, adoption paper work, vaccination card, microchip details and an optional 4 weeks free PetPlan insurance. It is at this point that we ask for your **adoption fee which can be paid via cash or cheque**.

6.

## Step 6.

### *Post-Adoption Home Visit*

We undertake a **post-adoption home visit 4-6 weeks after you take your new animal home**. We love to hear how they are getting on and can answer any queries you may have.

7.

## Step 7.

### *Our Promise to You*

Our branch offers support to you for the life of the animal. We are only a phone call away! We **guarantee to take your animal back** into our care if unforeseen circumstances arise.
